## Technical specifications

Drive tracking

## Description

The Kubota KX019-4 mini excavator is a compact and powerful machine weighing 1780 kg, manufactured in 2023. The tracks are in excellent condition, at about 95%, and the machine has only about 250 operating hours. The serial number is 78544, and the machine retains its original color. It is equipped with a quick coupler system and comes with three different buckets. The propulsion is provided by a reliable Kubota diesel engine.
