Description

SANY SY35U Pro mini excavator (2024), BRAND NEW machine, serial number 0789K8. Modern and powerful mini excavator with an operating weight of approx. 3680kg, built for professional and demanding applications. Powered by a reliable and fuel-efficient Yanmar diesel engine. This Pro version features hose burst valves, long dipper arm, and heavier counterweight for improved stability and reach. Also equipped with proportionally controlled demolition/sorting function, air conditioning, and preparation for hydraulic quick coupler. Compact dimensions combined with high comfort and strong performance make this machine ideal for earthmoving, demolition, and infrastructure work. Specifications: – Year: 2024 (new) – Weight: approx. 3680kg – Serial number: 0789K8 – Yanmar diesel engine – Hose burst valves – Long dipper arm – Heavy counterweight – Proportional demolition/sorting function – Air conditioning – Preparation for hydraulic quick coupler
